UKCCSRC ECR eligibility criteria

As per UKRI New Investigator Award guidance you would be considered a UKCCSRC academic member (not and ECR) if any of the following apply:

- You have been PI on a single research grant over £100k (FEC)
- You have previously led a research group

You are eligible for ECR membership if you meet one of the following criteria:

1. PhD student studying a CCS or CCUS-related topic
2. In a lectureship or equivalent (i.e. fellowship) post for less than 5 years (with the exception of career breaks for any reason)
3. PDRA or equivalent with a permanent contract OR fixed term contract that extends to the date of the funding

If you require further clarity on your eligibility, please contact the UKCCSRC Secretariat info@ukccsrc.ac.uk
